Thank you for your interest in becoming a Top End Rehoming Group foster carer. By offering your time, energy and home to an animal in need, you prepare the animal for adoption into a permanent home!

When fostering for Top End Rehoming Group, we ask you to take our rescue(s) in and treat them like your own.

What we do:

- Cover all medical costs.
- Arrange all veterinary appointments.
- Where possible (exception of age and health), all rescues will be desexed and vet checked or booked to be desexed and vet checked, as soon as possible.
- Take care of all rehoming media and processes.

When we have donations such as food, litter, puppy pads, toys and bedding, these will be distributed to foster carers. However, you are generally expected to cover these costs.

When we have a family interested, and we feel they would be a good match, we will ask you to contact them to arrange a meet. If they then decide to proceed with the adoption, they will notify us and we will process the adoption from there. Rescues are not to be released to their new families until confirmed by one of our coordinators as a thorough adoption process needs to be completed first.

What's expected?

- You must be 18 years or older.
- Regular clear photos so we can keep their Facebook albums up-to-date.
- We may ask you to bring them to and from Adoption Days or veterinary appointments.
- Regular communication.
- Secure fencing and gates if fostering dogs and puppies.
- Puppies are to remain on your property until fully vaccinated.
- Kittens and puppies under 12 weeks of age are to be fostered in pairs (or more) for socialisation reasons.
- Cats and kittens are to remain strictly indoor only, except for secure enclosures and harnessed walks.
- Cats and kittens are to remain in your home unless taking them to a scheduled veterinary appointment or adoption day.

More often than not, kittens and puppies do not come to us in a good way, and they need excellent nutrition to help them reach optimum health. Our coordinators will discuss recommended diets where applicable and we encourage all foster carers to feed a variety of medium and premium foods.

If you have any concerns or questions, please contact us via Facebook. Alternatively, please complete the below Foster Agreement Form and email it back to us at toplevelrehomegroup@gmail.com. By completing the below form, you are agreeing to our terms above.
